

FROM THE FIRST PRESIDENCY

Honoring **OUR** Covenants

There is nothing more important than **honoring** the **covenants** you have made and those you will make in the temple.

Trials, challenges, and heartaches will come to all of us. Yet as we go to the temple and remember our covenants, we can receive answers and help from the Lord. We can be reminded that we are part of Heavenly Father's eternal family. We can remember our relationship with Him and His Son, Jesus Christ.

No matter what, everything will be OK because of temple covenants. ●

A Place of Love

Temples remind us
that Heavenly Father loves us
and has a plan for us!
How many hearts can you
find in the picture?
